## CHRISTMAS DECORATING AWARDS ANNOUNCED

It appears that local homeowners are responding to the Chamber of Commerce lighting contest with bigger and better displays each year. Certainly this was the unanimous feeling of the panel of judges whose job it was this year to choose winners of the annual contest.

Not only are the displays getting larger and more impressive, but many entrants are using imagination and good taste in creating home made displays which deserve high praise.

The winners of this year's contest were: First Prize - J.A. Koehmstedt, 4332 - 43rd Street; Second Prize - S.C. Lunan, 5032 - 46th Street and Third Prize - Adam Eckert, 4908 - 47th Street.

So difficult was it to pick winners that the judging team of Fr. Ed Lynch, Rev. G. Ingram, and Rev. J. Strachan, accumulated a long list of necessary Honorable Mentions. The first of these, a Special Honorable Mention, is extended to Mr. Lorne Nelson, 4765 44th Street, for his magnificent display of lights. The following people were also felt to be worthy of Honorable Mention because of their efforts in the lighting and scene display: J. Mosdell, Jack Heyland, Dr. Henry Shimbashi, Bert Demers, and Alf Armstrong. Had enough prizes been available, each of these would certainly have received one.

The judging team also singled out MacLeod's Store and the Nickel Supermarket from among the business establishments, and in pointing to their decorative efforts, wants to encourage the uptown merchants to put a little more effort into brightening the main street at Christmas time.

Finally, a word must be spoken regarding the two Churches which displayed lights or a scene this season. The team were unanimous in feeling that Churches ought to be in the forefront of celebrating the "Feast of Lights" with a suitable brightening of their exteriors. The Roman Catholic Parish of Saint Anthony, and Emmaus Lutheran Church were the only ones who did just that. The remainder of houses of worship sat in somber darkness throughout the season. A cheer for the two bright ones, and a hope expressed that next year each of Drayton Valley's Churches will have an appropriate scene or lighting display to match the advent of Christ.

The Chamber of Commerce would like to thank all those who participated in this contest

or who displayed a Christmas scene simply for their own pleasure. Keep up the good work next year.

## LEAGUE LEAD AT STAKE

The mature and experienced Breton High School basketball team will battle the FMHS Warriors for first place in the Pembina Basketball League come this Friday night at the Maddock High School Gym.

Cliff Clifford and Ron Hansen will be leading the Breton five against the younger and less experienced Warrior team. The game should prove to be one of the most exciting to be witnessed on the local Drayton court.

Larry Metelski, Jim Cathrea, and Rolf deGeest will be out to upset the early season choice for league honors. Local fans can be assured that the fine Breton team has no intentions of relinquishing their favored position. Game time for this contest will be 8:00 p.m. following the preliminary girls contest between the Warriorettes from Drayton led by Sheila Muzykowski and Lorna Sock and the Breton High girls.

## Career Night

Plans for the "Career Night" sponsored by the Frank Maddock High School, Drayton Valley are being finalized and Wednesday, February 16th is the evening set for the event.

Approximately twelve aspects of the business world will be presented and discussed.

It is hoped all parents and high school students will be present to hear and take part in this important meeting.

## PUBLIC EVENTS CALENDAR NOW BEING PREPARED

The Drayton Valley Chamber of Commerce in a circular letter this week expressed thanks to Calgary Power Ltd. for sponsorship of the Public Events Calendar carried weekly in The Western Review.

In the past the Chamber undertook sponsorship of the calendar. The Chamber will continue to provide contact for listing items in the calendar.

The 1966 Calendar is now being prepared and ALL Clubs, Lodges, Church and Youth

Death-defying exploits of early Canadian fur traders who braved the turbulent waters between Montreal and Grand

Portage on Lake Superior are repeated by modern-day canoeists in an exciting colour film "The Voyageurs." This

twenty-minute National Film Board production is now being shown in Canadian theatres and in many other countries.

## Health Unit Meeting

A meeting of the Board of the Edson Health Unit was held at Edson on Monday, December 13th, 1965.

Present were: Mr. P. Wells, Edson, Chairman; Mr. J. Wynne, Edson, Vice Chairman; Dr. H. Shimbashi, Drayton Valley; Mr. W. Nowrie, Hinton; Mr. G. Dompnier, Evansburg; Mr. D. McElroy, Secretary-Treasurer. Also present was Dr. J.M. Brown.

The meeting opened at 2:00 p.m. The minutes of the previous meeting held on September 21st, 1965 were adopted as read.

Mr. McElroy reported on correspondence which had been received from the special committee on recommendations regarding Public Health Services in Alberta. It was ordered that the correspondence be received and filed.

The Chairman welcomed a delegate who presented details regarding the possibility of building premises in Edson suitable for the Health Unit.

All financial details together with a sketch plan were given to the members. Following a complete discussion, the members of the board unanimously agreed that they were most interested in the proposition, and so informed the delegate in order that he might make all necessary financial investigations. The exact

details of the interior of the premises were not discussed at any length but the board reserved the right to request any interior changes as might be considered desirable. At this point the delegate left the meeting.

The members of the board

## SENIOR CITIZENS ENJOY SUPPER

A very enjoyable evening was held for the older set of Drayton Valley Community and District when members of the O.O.R.P. entertained at a turkey supper on Tuesday, December 21st in the Elk's Hall.

The evening was the first of its kind in town with ladies and gentlemen of seventy and over being the guests. Thirty-eight old-timers sat down to a sumptuous meal and the ladies are very pleased at the response received. They hope to see more senior citizens out to next year's party which is hoped to become an annual affair.

Following the supper Mrs. Eileen Belya led the group in carol singing with Mrs. Adeline Swanlund at the piano.

Mrs. Betty Starling presented gifts to the oldest lady present, Mrs. Drake of Drayton Valley; Mr. Murray of Violet Grove who is 90 years young and to Mrs. Kelly of Drayton Valley who has the most grandchildren.

H.R.L. Elvie Williams

wished everyone a Merry Christmas and expressed the wish that they would see them all back again next year.

Thanks go to Messrs. Les Wall and Eric Edholm for helping to provide some of the transportation.

## Course Planned

A few vacancies remain open for the course in elementary photography, sponsored by the Drayton Valley and District Chamber of Commerce. The course is intended to help people with their photography problems and give them a basic understanding of their camera and equipment. It will consist of a two-hour session one evening a week for 3 to 4 weeks.

The third week in February is the tentative date set for the course and interested persons are asked to contact Bob Cowan at 542-3990 or 542-3265 evenings.

## D.V. HIGHLIGHTS

By Edith Deby

Mr. and Mrs. Conrad Fuhr have left for an extended stay in Mexico.

Rev. Ingram is so pleased with his new snow blower, the gift of a thoughtful parishioner, that he may be seen clearing walks and yards any hour of the day and night.

The executive of the Farm Union would like members to know that a Pot Luck Supper will be held on January 12th at 6:30 p.m. in the Anglican Parish Hall. Mr. Johnson will have some information on the M.S.I. Group Insurance. It is hoped that all members will be able to attend.

Mrs. Hoyland, of the Elementary School Staff, has been in hospital since December 3 when she was badly hurt in a car accident. It is hoped that she will be able to resume her duties in the classroom by the end of January.

The Serenas home was the scene of a lively family party at Christmas. Mrs. Serenas' parents, Mr. and Mrs. Wojecicki, of Westlock, and two brothers, Ted, of Winnipeg and

Jim of Westlock, Mr. and Mrs. Martin Sader, nee Louise Serenas, and wee Lisa Anne Marie were all able to come. Jim, who had been globe trotting for the past six months surprised his family by arriving from Vancouver on Christmas Eve.

Mr. and Mrs. Barney L. Johnson spent Christmas with relatives near Eckville.

Mr. and Mrs. Lyle Ward, nee Gayle MacManus, spent the long Christmas weekend with Mrs. Ward's parents, Mr. and Mrs. Tom MacManus. Both students at the University of Alberta, Mrs. Ward will graduate with a Bachelor of Education degree this year. Mr. Ward will get his masters in engineering at the same time. Also home for the two week holiday was son, Terry, who is an officer cadet at the University of Alberta. Terry is studying under the R.O.T.P. and will, upon graduation, have a degree in engineering and the rank of Lieutenant. Terry has the distinction of having attained the highest

marks in Alberta when writing the Flying Scholarship tests.

Mr. and Mrs. Alfred Redman three daughters and a son, were the guests of Mr. and Mrs. Robert Elliott at Christmas. Mr. Redman is Mrs. Elliott's brother.

Hurray for the practice of sending Christmas cards and if the sender takes time to write a little note that is all to the good. From our Christmas mail we learned these interesting facts.

Jean Moore is teaching seven classes in Social Studies in grades ten, eleven and twelve at Turner Valley and finds herself without a spare minute.

Mr. and Mrs. Jewel, nee Barbara Hill, are now in Fort McMurray.

The Ray Cleremonts have spent the last year in Maine. Their home base is Vancouver.

Mrs. Forbes is well and promises to write before long.

The Bunburys are well and living in Edmonton still.

The Doub Kernodes, neighbours from the Pembina days, never fail to send a greeting.

The Glens are well and planning a winter holiday at the coast.

The Bill Chisholms like Vancouver.

ess in Kelowna is booming.

Mrs. Elizabeth Warren, of Portland, speaks of her pleasure in having the Hellyers as guests the past summer and so it goes.

In Mr. Claude Free's youth he spent several years on the Big Sheephorn Ranch in Golora Colorado. At that time the ranch was owned by an uncle, Charles Free. At Christmas Mr. Free flew to Colorado to visit the scenes of his childhood and to attend a family gathering at Hot Sulphur Springs that will include his aunt, Mrs. Charles Free, and

a cousin, Charles Free Jr. Other relatives were expected from Miami, Long Beach, Hollywood and San Francisco.

ratified the appointment of Miss C. Marriott, R.N. who joined the staff on December 1st.

The secretary reported that the dental surplus which had accrued during 1964-65, was being returned to all contributing authorities and that he was in communication with the Department regarding the total amount of money which had to be returned.

The financial report was presented by Mr. McElroy and adopted.

The medical report, for the period July - September 1965, was presented and following discussion of various aspects of work accomplished, the report was adopted.

Purchase of a new Chevelle car, which was carried out by the Executive, was ratified by the members of the board.

The chairman raised the question of an article which had appeared in the Drayton Valley press relating to the possible extension of the Edson Health Unit Boundary to include the Drayton Valley trading area. It was brought out during the discussion that this matter had received the consideration of the members of the board on a number of occasions although the matter had not been reported in the minutes. It was generally agreed that considerable difficulties were involved in matters of this nature but general sympathy was expressed for the area in question. Dr. Brown was authorized to contact representatives of the various Health Units concerned in an attempt to ascertain if a workable agreement could be reached.

The chairman reported on the conference held in Edmonton for the board members, medical officers of health and secretary-treasurers which took place December 8th, 9th and 10th. The medical officer reported on the highlights of the sessions which were held for medical officers of health.

Dr. Brown reported on the accommodations and furnishings at the Drayton Valley and Hinton offices.

Mr. Nowrie and Dr. Brown both reported on a very successful Dental Seminar which was held December 2nd in Hinton. It is hoped that a similar Dental Seminar be held in Drayton Valley in the near future.

Dr. Brown took the opportunity of expressing his thanks both on behalf of himself and the members of the staff for the co-operation, enthusiasm and encouragement given at all times by the Chairman and by the members of the board. Such co-operation made the

work so much easier of accomplishment.

The date of the next meeting

is March 7th, 1966.

The meeting adjourned at 4:15 p.m.

# November Fatalities Lower

Eleven fewer deaths were reported during November keeping the 11-month motor vehicle fatality total almost the same as a year ago, reports the Alberta Safety Council in their monthly accident summary.

To the end of November 327 fatalities have been recorded compared to 324 a year ago. Twenty-one deaths were reported during November against 32 last year. RCMP reported 17 fatalities a reduction of 11 over last year. Edmonton, Calgary and Lethbridge recorded 2, 1 and 1 deaths respectively.

To November's end provincial highways have accounted for 270 deaths, an increase of 10, while Edmonton City Police reported 25 deaths, up 1, and Calgary 23, a 2 death increase. Lethbridge has recorded 3 deaths, the same as last year, with Ponoka and Taber recording 1 apiece.

Injuries are up 2 per cent over last year from motor vehicle accidents. A total of 6,748 people have been treated for injuries compared to 6,704 last year. RCMP reported 465 injuries during November while Edmonton tallied 148 and Calgary 97. Lethbridge reported 26 injuries while Red Deer indicated 10 and Medicine Hat and Grande Prairie 2 each.

Over a million dollars worth of damage per month has been done by motor vehicle accidents since the first of the year. The estimated property damage at the end of October was \$11,991,284.

As we approach the end of the calendar year, many farmers like to ponder in retrospect of their past year's activities and do some crystal gazing into the future. This is a time when those concerned with Farm Management concentrate on accounts, inventories and budgets. Whether you are a student of "Farm Business" or not, it is surely opportune to take stock of your position and plan your operations for the ensuing year. As the nights grow longer many of us like to relax, dream dreams, make plans, attend refresher courses, renew old friendships, make new friends, study new theories, and generally enjoy preparing for the Christmas Festive Season. **"This Business of Farming"**

This short course in farming will return to television, January 10th, 1966, on C.B.C. and affiliated T.V. stations from 10:30 a.m. to 11:30 a.m. each day Monday to Friday. It will feature farmers as well as specialists from Provincial and Federal Departments of Agriculture and Universities.

The effort is truly a co-operative venture between the C.B.C. Farm Department, the Manitoba, Saskatchewan and Alberta Departments of Agriculture, Universities and television stations in each Province.

In addition to Government and University personnel, many farm operators will make their appearance on "This Business

of Farming", again this year. A considerable amount of the filming was done on a number of farms and the roles of the operators vary from brief appearance to fairly comprehensive commentaries on their operations. More emphasis will be placed on smaller farms this year than has been done in the past, but the same principles hold true for any type of farm.

**Monday's** program deals with farmstead planning from the point of view of beautification and labour conservation. Emphasis will be placed on such important factors as convenience, wind direction, shelterbelts, tree planting, drainage, water snow drifting, roads, etc.

The **Tuesday** program will be devoted to wintering the beef herd. Among the topics discussed will be new ideas for fodder storage, feed requirements and ways to produce an ample feed supply.

**Wednesday** will feature the small farmer and opportunities that are open to him for increasing his income. Among those suggested are expanding livestock enterprises, the use of credit to obtain an economic unit, off-farm alternatives, either full or part time, and custom work.

**Thursday's** program concentrates on the selection of enterprises which offer the greatest income stability.

On **Friday** "This Business of Farming" will deal with business organization including

partnerships, leases, minimizing risks, estate planning, wills and so on.

Mark the times and dates on your calendar and plan to view the course. Better still, join with some of your neighbors and enjoy some discussion following the presentation. We think you will enjoy the course and gain from the experience.

May we take this opportunity to wish each of you a "Merry Christmas" and a "Happy and Prosperous New Year." May the season be most kind to you and yours and may you enjoy your family festivities fully.

## Warriors Lose Two

January is internationally known as economy month. This needs no explanation at all as we all feel a grip on our pocketbooks this time of year. Economy in the home starts with cutting down the food bill. So what's wrong with hamburger or a few imaginative casseroles for a couple weeks? There are thousands of ways to serve hamburger and it is really the most versatile stuff in the world, as handy for parties as for low budget meals.

### Beef Balls Paprika

Combine 2 lbs. ground beef with 1 tsp. each of salt, seasoned salt, paprika and instant minced onion, 1/4 tsp. pepper, 2 eggs and 6 slices bread soaked in water, drained and crumbled. Mix well and shape in 24 balls. Roll lightly in flour and brown in about 3 tbsp. margarine. Add 1 1/2 cups water and 1 beef bouillon cube. Cover and simmer 45 minutes. Add 2 cans (4 oz. each) sliced mushrooms, undrained and 3 tbsp. sweet paprika mixed with 2 tbsp. flour. Bring to boil and simmer about 5 minutes. Stir in 1 cup sour cream. Heat gently, but do not boil. Serves 6.

### Sweet and Pungent Meatballs

**Meatballs—**  
1 slice white bread  
1 1/2 lbs. ground chuck  
1 tsp. salt  
1/4 tsp. ginger  
2 tsp. soy sauce  
1/4 tsp. liquid hot pepper  
1 can (5 oz.) water chestnuts, drained and diced  
2 tbsp. salad or olive oil  
**Sauce—**  
1/4 cup cider vinegar  
3/4 cup canned condensed beef bouillon undiluted  
1 tbsp. catsup  
1 tbsp. soy sauce  
1 tbsp. molasses  
1/4 cup light brown sugar, firmly packed  
1 can (13 1/4 oz.) pineapple chunks, drained  
2 tbsp. cornstarch  
1/2 cup green pepper strips  
2" long  
6 maraschino cherries

**Make Meatballs:** Soak bread in water; then squeeze dry. In large bowl, combine bread, chuck, salt, ginger, 1 tsp. soy sauce, the hot pepper seasoning, and water chestnuts. Toss lightly just to combine. Gently shape into 20 meatballs. In hot oil in large skillet, saute meatballs, turning until nicely browned all over. Remove from heat and set aside. **Make Sauce:** In another large skillet or Dutch Oven, combine vinegar, 1/2 cup water, the bouillon, catsup, 1 tbsp. soy sauce the molasses, sugar, pineapple chunks and mix well. Bring to boiling. Meanwhile dissolve cornstarch in 1/4 cup water; stir into boiling mixture. Boil stirring, minutes or until mixture is thickened and translucent. Add browned meatballs and pepper strips, stir to combine. Cook just until heated through. Serve over hot boiled rice along with soy sauce. Serves 5 to 6.

### Hamburger Cutlets Parmesan

2 lbs. ground chuck  
1 tbsp. chopped parsley  
1 tsp. seasoned salt  
1/4 tsp. pepper

1/2 cup unsifted all purpose flour  
2 eggs, beaten  
1/2 pkg. seasoned bread crumbs  
1/4 cup salad oil  
6 slices Mozzarella cheese  
1 15 1/2 oz. spaghetti sauce with mushrooms  
2 tbsp. grated Parmesan cheese.

Preheat oven to 400°F. In large bowl, lightly toss beef with parsley, seasoned salt and pepper until well combined. Shape into 6 patties, 1/2 inch thick. Roll each patty in flour, coating both sides, then dip in egg; finally roll in bread crumbs. In hot oil in large skillet, cook patties until nicely browned on both sides. Arrange in one layer in 12 x 8 x 2 inch baking dish. Top each patty with a slice of Mozzarella; pour spaghetti sauce over all; then sprinkle with Parmesan. Bake 25 minutes or until cheese is bubbly. Serves 6.

### ??? INSOMNIA ???

Does a snack at midnight help you to sleep or keep you awake? Doctors take both sides of the question, but they can't all be right.

One thing a snack at midnight does -- it keeps down the leftovers.

The deepest hole we've dug in Canada is in British Columbia. It's a 16,540 ft. dry well.

Jim Cathrea of the FMHS Warriors proved that he can score in top competition as he was tested in the hot bed of Alberta High School basketball. As the Warriors went down to a 71-46 defeat to the Milk River Comets, the 1960 Provincial Champions, Cathrea came up with a fine 31 point effort. The Warriors also went down to defeat against the Warner Warriors, 76-56. In the Warner contest Jim Cathrea and Rolf de Geest led their team with 18 point efforts.

A lack of depth proved the downfall of the FMHS team as both contests proved to be close and exciting until a couple of Warrior first stringers fouled out. The score stood 3-31 for Warner over FMHS Warriors at half time. In the Milk River contest the score stood 33-30 Milk River into the third quarter. Doug Rennie in this contest seemed to catch the hearts of the Milk River fans and he showed the threat he will be in a couple of seasons.

The Warrior coach feels that the team will be a much more determined and colorful team as a result of their Christmas trip. The FMHS Warriors are a going team with 6 of the 10 players on the team in Grade 10 or less. Nine of the 10 players will be returning next season and

## A.A.R.N. NEWS

By H. Dahl, Publicity

In all the hustle and bustle of the Christmas season yours truly did not get around to reporting the December 8th meeting until now. My apologies and also may I take this opportunity to extend best wishes for a Happy and Prosperous New Year to all the nurses in this area.

Ten members gathered at the home of Mrs. M. Nelson to enjoy two skill testing games, carol singing and a lovely Christmas lunch served by C. Fluker and P. McKillop following the business meeting.

The president opened the meeting with the reading of "Christmas Candles." November minutes were read and approved as corrected, the treasurer's report given and correspondence read.

P. McKillop received word that the Blood Donor Clinic is to be held April 26th in Drayton Valley.

To date the nominating committee of O. Trudel and B. Orieux had not received any nominations for candidates for the 1966 executive to be elected at the January 12th regular meeting. So please, girls, submit your nominations to these people immediately if you have not already done so. Most members have received a list of eligible candidates and if you are aware of someone's name who has been missed please let the committee know.

Our representative was unable to attend the December 3rd meeting in Edmonton regarding the new structural study of the A.A.R.N. However M. DeCiccio was able to contact M. Staves and inform her of the opinions presented by members from this area.

There is to be a meeting at 10:00 a.m., February 4th in the Beaver Hall, Deerhome, Red Deer of all A.A.R.N. members. In order to proceed with the new proposed structural changes as outlined by the Stevenson-Kellogg Study amendments to the present bylaws are necessary. All

members are to receive, prior to February 4th draft copies of the proposed new bylaws in order to study them. These amendments are to be voted upon according to the present system of chapter delegates (3 from Drayton Valley) and if approved, the new voting procedures as outlined in the S.-K. Study will become effective immediately, giving all active members in the Association a vote.

The December newsletter contains a report on the new structure outlining all the steps proposed for changing the

A.A.R.N. as it now stands. The changes are many, including district representation from 5 districts, mailed ballot voting by active members. In general there should be better representation and better communication and more involvement of the active nurse.

Perhaps it would be advantageous to those nurses presently active and to those who are inactive but still interested in nursing affairs to obtain the December newsletter from someone if you do not have a copy and become familiar with the new structure so you are aware of how it may affect your status of an active, associate or inactive nurse.

## December Meeting of Womer Institute

On December 20th the Women's Institute meeting was held at the home of Mrs. Edith Deby with two guests present.

During the meeting Mrs. Les Brown spoke of the progress of the Girls Club and that new members would be welcomed into their club. Donations were made and welfare was discussed. Mrs. Edith Deby was presented with a silver spoon for perfect attendance during the past year.

After the meeting was adjourned a delicious lunch was served and there was an ex-

change of home-made presents.

The next W.I. meeting will be held at the Library on January 17th.

### This Business of Farming Telecourse

Means of reducing risk and stabilizing farm income will be stressed in the 1966 telecourse "This Business of Farming."

Produced by the CBC in co-operation with the Alberta, Saskatchewan and Manitoba Departments of Agriculture, the program will be carried on CBC and affiliated TV stations from 10:30 to 11:30 every morning during the week of January 10th to 14th.

In addition to government and university personnel, many farm operators will make their appearance on "This Business of Farming" again this year. A considerable amount of the filming was done on a number of farms and the roles of the operators vary from brief appearances to fairly comprehensive commentaries on their operations. More emphasis will be placed on smaller farms this year than has been done in the past but the same principles hold true for any type of farm.

Monday's program deals with farmstead planning from the point of view of beautification and labour conservation. Emphasis will be placed on such important factors as convenience, wind direction, shelterbelts, tree planting, drainage, water, snow drifting and roads.

The Tuesday program will be devoted to wintering the beef herd. Among the topics discussed will be new ideas for fodder storage, feed requirements and ways to produce an ample feed supply.

Wednesday will feature the small farmer and opportunities that are open to him for increasing his income. Among those suggested are expanding livestock enterprises, the use of credit to obtain an economic unit, off-farm alternatives, either full or part time, and custom work.

Thursday's program concentrates on the selection of enterprises which offer the greatest income stability.

On Friday, "This Business of Farming" will deal with business organization including partnerships, leases, minimizing risks, estate planning wills and so on.

Several Alberta Stations will present half hour local programs following the main telecourse programs. This will enable farmers and district agriculturists to discuss the program and local farming methods.

Eight huge caravans, each composed of eight 72-foot truck and trailer units, will tour Canada in 1967, taking the story of Canada to the people of Canada. Inside the trailers, exhibits, dioramas and pictures will trace the history of Canada's exploration, exploitation and development from the time before the coming of the white man to the present day.

Centennial Caravan No. 7 will tour Alberta, the Northwest Territories and the Yukon in 1967, entering the province at Milk River on May 1, and leaving from Drumheller on November 2nd. The Caravan will arrive in Drayton Valley on July 2nd for a two-day stay.

During its tour, the Caravan will travel 8,039 miles, and will make 95 exhibit stops. All sites have been surveyed, and recommendations for improvement made where necessary. In 1966 a resurvey will be conducted at which time, in addition to checking the sites arrangements will be made for billeting and victualing for caravan staff members.

In addition to the interior exhibits, there will be regional exhibits arranged outside the caravan, to be viewed by persons waiting to enter.

A staging area will also be provided, and the Chief of the Trains and Caravans Division of the National Centennial Committee, Mr. L.J. Maiden, has expressed the hope that this area will be used to present local talent of a nature suitable to the occasion. Folk singing, dancing, pageants, plays or musical

presentations would enhance the exhibit, and other local celebrations pertaining to the commemoration of Canada's Centennial of Confederation may be planned to co-incide with the Caravan's visit.

Further information pertaining to the caravan or other Centennial events planned for 1967 may be obtained by contacting Mr. J.R.D. Findlay, Centennial Co-ordinator for Alberta, 421 Legislative Building, Edmonton.

Every care should be taken to make the baby's crib perfectly safe. The bars of crib sides and ends should not be sufficiently far apart to allow his head to be caught between them. The removable side should be firmly locked when the child is in the crib.

### Owners And Operators Of Mobile Equipment

Effective January 1, 1966, all mobile equipment coming within the definitions quoted below is again subject to licensing, if such equipment is operated anywhere within the Province except in Cities or National Parks.

INSPECTORS ARE CONSTANTLY IN THE FIELD CHECKING ALL SUCH MOBILE EQUIPMENT. PRACTICE OF ISSUING WARNING TICKETS WILL BE DISCONTINUED AND ANY VIOLATION OF THE ACT WILL BE CONCLUDED IN COURT PROCEEDINGS. PROVISION IS MADE FOR THE IMPOSITION OF A FINE AND POSSIBLE IMPOUNDMENT OF EQUIPMENT WHERE A VIOLATION OF THE ACT OCCURS.

The following definitions are taken from the Mobile Equipment Licensing Act:

(d) "MOBILE EQUIPMENT"

- (I) means machinery or equipment capable of being moved to its place of use under its own power or by being towed, pulled or carried and not intended to be affixed to land, and
- (II) includes equipment used for the purposes of seismographic exploration and, without restricting the generality of the foregoing, includes
  - (a) seismographic recording equipment and all appurtenances thereto,
  - (b) conductor cables and cable reels, geophones, amplifiers and cameras,
  - (c) explosive and detonating equipment,
  - (d) drilling units and all the component parts and appurtenances thereof, and
  - (e) water tanks and pumping equipment, but
- (III) does not include
  - (a) vehicles licensed under The Vehicles and Highway Traffic Act, or The Public Service Vehicles Act, exclusive of mounted equipment on such vehicles, and
  - (b) equipment, other than vehicle mounted equipment, used to drill a gas or oil well;

(e) "MUNICIPALITY" means a town, village, municipal district, county, improvement district, special area, metis improvement district or forest reserve.

(f) "OWNER" includes a person renting mobile equipment or having the exclusive use thereof under a rental agreement or otherwise;

NOTE: Mobile Equipment having an original list price of less than \$2,000 does not require a license under this Act.

A copy of The Mobile Equipment Licensing Act may be obtained upon payment of ten cents from the Office of the Queen's Printer, 10255 - 104 Street, Edmonton, Alberta.

Address all inquiries regarding MOBILE EQUIPMENT LICENSES to Supervisor of Mobile Equipment Licensing, Department of Municipal Affairs, 10363 - 108 Street, Edmonton, Alberta. Licenses are also available at Department of Municipal Affairs Offices at Medicine Hat, Lethbridge, Calgary, Rocky Mountain House, Red Deer, Edson, Evansburg, Bonnyville, Lac La Biche, Westlock, High Prairie, Peace River, Spirit River, Grande Prairie, Drumheller and the Special Areas Offices at Hanna, Oyen and Consort.

## LIBRARY NEWS

Your library staff wishes to thank you for your kind co-operation while inventory was being taken at the Municipal Library. It will be ten years this coming summer since the library was opened in a vacant school room by the Women's Institute. His worship, Mayor Robert Clarkson, declared the library officially opened and we were in business.

This is the first complete inventory ever taken in the library and it is most gratifying to find that our losses are really very light. This speaks very well for the attitude of responsibility shown by our citizens. Before long a complete list of books missing will be published and in the meantime if you happen to have

# Curling News

With curling at nearly a standstill over the Christmas

## New Secretary For Alberta CWNA

Miss Evelyn Rogers, publisher of The Athabasca Echo and member of the Alberta Weekly Newspapers Association for many years, has been appointed secretary of the association.

Miss Rogers replaces John MacDonald of The Westlock News. Mr. MacDonald was forced to give up the position due to expansion of his own newspaper business which has left him little time for association work. He had served as secretary since 1963.

Miss Rogers was named secretary by the AUNA executive at a meeting held recently in Edmonton.

Season giving the curlers a much needed rest, there will be an increase in the activity around the curling rink in the New Year.

There was a poor showing in both draws for the Sunday League, only one draw remaining. It looks like the top four teams playing off for the Pilsner Trophy will be the Legion Rink, Gary Bannard, Allan Small and Dr. H. Shimbashi. Due to the Oilmen's Spiel that is coming up on the 15th and 16th the sudden death draw for the Pilsner Trophy will have to be scheduled for another day. It is hoped in future years that the rinks entering the Sunday league will fill the obligations that they make when they sign in for the league. Several times this year teams have come in from Wildwood, Evansburg, Lodgepole and Cynthia with no opposition from rinks who only live within throwing distance of the Curling Rink. This is not only ridiculous but pathetic.

The first annual Pembina Oilmen's Curling Bonspiel will be held the 14th, 15th and 16th of January. The Club is limiting the entry to 48 rinks for this year and entries can be sent into Lloyd MacLean at 542-3682 or 542-3259. The bonspiel is restricted to qualified oilmen only. At last report 24 rinks had already entered. The facts that this is the largest Oilfield in the world and that Drayton Valley

was proclaimed the Oil Capital of the world by the Chamber of Commerce, should help the Oilmen's Club to draw in the entries. Only a week and a half remains before the bonspiel, so if you are planning to curl in the 'spiel please get your entry in immediately.

Regular draws in the Men's League began again after a two week layoff. Curling wasn't as sharp as usual but after a few pounds of turkey have been worn off curling should be back to normal. Wednesday Evening, Curling Club President, Kevin Goble will present the section trophies to Ken Ewoniak "D", Bert Demers "C", Adrian Meiers "B" and the John Fournier Rink skipped by Gary Bannard "A".
